

City-style living comes to the heart of Golden

Welcome to Millstone at Clear Creek Square, a unique collection of luxurious 1 bedroom and 2 bedroom condominium homes with dens, plus a select number of top-floor penthouse residences. City-sophisticated, but small town sensible, Millstone is a place you can call home.

Tucked on the banks of Golden, Colorado's idyllic Clear Creek, Millstone combines sophisticated urban living with small-town sensibility to create a very real connection to the community. It's a common bond, a relationship, a sense of place you'll find right next door, or just around the corner, or strolling along Main Street's sidewalks. It reaches out and nourishes the soul, cultivates friendships, informs, and inspires. This connection; this intersection of people, place and potential, this rare community, is taking shape in the center of Golden, at Millstone.

Millstone is a dream...realized. A dream of lifestyle and location joined to become something uniquely better. Here, you'll find harmony in every facet of life: convenience, recreation, nature, culture and most importantly, a feeling of belonging, of being in the right place at the right time.

Millstone is like an urban neighborhood, without the urban hassle. Less than one block literally puts you on Main Street, kayaking down Clear Creek, or pedaling along secluded bike paths. Plus, all that is the Rocky Mountains — hiking, biking, skiing, camping, fishing, golf, and more — is oh-so close at hand.

As for amenities, you'll find the best from Millstone. Only the finest finishes have gone into creating a home you'll be proud to call home. Slab granite countertops, 9-foot ceilings, hardwood floors and so much more. Every detail speaks volumes. Every stone. Every pane of glass. Every square foot. Everything shows a mastery of smart design for smart, maintenance-free living. Millstone reaches new heights of sophisticated living, working and playing.

Millstone is indeed a symphony of life well lived, harmoniously arranged. The first building is virtually sold out, and sales in the second phase are brisk. Come...make your home, your life, at Millstone at Clear Creek Square. It is truly the best of all worlds. Millstone. This way home.
