

*Don't let your
hip get in the
way of your cool.*

The Joint Care Center at
**St. Anthony
Central Hospital**

Here, we treat you as a person first.

StAnthonyJointCenter.org

Attend one of our **FREE** seminars and learn what you can do about knee or hip pain. Learn about some of the causes and the latest treatments, including information about medications, nutrition and exercise.

Seminars are held at St. Anthony Central Hospital, 4231 W. 16th Avenue in Denver. Call 303-629-2007 for information or to reserve your space today.
